

*About Us.....*

**Prime Asia Industries Ltd.** specializes in manufacturing Auditorium Seating and Cinema Seating . Our company strictly implements a complete management system throughout every procedure from raw material selection to production under quality control. In recent times, our products enjoy a high reputation among customers designs with high quality, great prices and also good after-sale service.

We have already established our niche, by providing impeccable time and quality standards. Our clients have been our product ambassadors. They have appreciated our quest for excellence, by giving us repeat orders, which speaks volumes about our commitment in putting our Antique Furniture and artifacts at a high pedestal.

We can produce custom-made designs as per your specifications.

All you need to provide is the product code No. of your interest or a picture or a drawing with dimensions and **Prime** will take care of the rest.
